I had heard about Rohit sir before, which is why I went to learn government e-marketing from him. His teaching method is very simple, and anyone can work on the GEM after learning from him. Thank you, sir.

Training was excellent!. I came to know so many things in GeM which was totally unknown and no one available in our friends circle to clear our questions. Most of the menu in GeM portal was cleared by Mr. Rohit Semwal, our tutor. Greatly appreciated the training given to all of us. We surely will get in touch and will recommend this class to our friends and business people.

THANK YOU VERY MUCH
